6. RESOLUTION approving Change No. 1 to Contract No. 11510, Roof Replacement at the MLGW Sheahan Pumping Station, with B Four Plied Inc., in the funded amount of \$441,335.09. (The change is to reinforce the roof of unidentified deck panel which is needed due to unforeseen damaged deck panels at the MLGW Filter and Pump Buildings. The Filter Building will require a complete replacement of material from concrete deck panels to stainless steel decking to reinforce the roof. The Pump Building replacement deck panels will be increased by a count of 196 from the original 146 proposed by MLGW. The amount of the change is \$481,335.09; however, MLGW requested the approval of contingency funds in the amount of \$40,000.00 which was approved at the January 16, 2012 Board meeting and will be absorbed in this change order. The current contract term will remain from the Date of Notice to Proceed to December 31, 2012).
